1. This certificate is not transferable and is issued subject to compliance by the holder with all the stipulations of the State.
2. The facility must be re-approved on an annual basis. The onus of re-approval rests with the owner of the facility.
3. Failure of the holder to comply with all requirements indemnifies the state against any claim instituted in accordance with this certificate.
4. The approval of the facility can be withdrawn at any time, if any shortcomings are detected.
5. This certificate confirms that the facility complies with the general requirements for the type of facility. In addition, (where applicable) the requirements of the importing country must be complied with for each consignment.
